COLOUR PLAY!

Some strong prints and vibrant colors are here to stay. Bright colors are the new neutrals. The palette includes yellow, orange, pink, purple, red, and blue. The colors are used in a variety of ways, from bright, saturated tones to more muted, pastel-like hues.

FUTURISTIC KIDS

The futuristic kids look is all about bold colors and prints. It's a mix of high fashion and streetwear, with a focus on bright, saturated colors like neon green, orange, and pink. The prints are often abstract or graphic, with a futuristic feel. The overall aesthetic is playful and energetic.

MERAKI FOR MEN

MEN'S GROOMING: THE NEW MENSWEAR

Meraki has expanded its men's grooming line with a range of products designed for men's skincare, haircare, and personal care. The products are made with natural ingredients and are designed to be used in conjunction with Meraki's men's skincare line. The products include a range of soaps, lotions, and creams, as well as a range of hair care products.
